Star Lovers

This report is designed exclusively for love relationships. The interpretation for Madonna and Guy uses a technique called 'Synastry' which is the branch of astrology dealing with relationships.

It should be pointed out that even the most unlikely love relationship can be made to work if both parties are prepared to put in the effort required. However, there are almost always some adjustments and compromises to be made in any relationship where there are two separate individuals with wills and personalities of their own.

Interpreting a relationship between two people is a complex business. A good analogy to this type of astrological assessment is the way you view a statue. Looking at a statue from the front gives you an idea of what it looks like from a single dimension. It is only by walking around it and viewing it from various points that you begin to see it as a multi-dimensional creation. This is when we can start to understand more about its total composition, what makes it what it is. So it is with the astrological assessment of a partnership.

This Star Lovers report is divided into two distinct sections, each one examining the relationship from a different vantage point:

Part One - Relationship Potential

This section provides overviews of both Madonna and Guy. It examines your relationship potential as individuals, and investigates what each of you needs and expects from a partnership, as well as from a romantic and sexual relationship.

Part Two - Relationship Compatibility

This section looks at how each of you perceives and experiences the other, examining the strengths and weaknesses of the relationship and pinpointing potential problems.

Each connection is given a Star Rating from one to five to show their relative importance. To the right of each pair of symbols, denoting the connection, is a group of five stars ★★☆☆☆, the more dark stars there are the more important the connection. The keys for the planets and the other symbols and terms used are given at the back of the report.

Part 1 - Madonna's Relationship Potential

An astrological chart is divided into 12 'houses' each of which represents a different sphere of human life. The 5th, 7th, and 8th houses are concerned with relationship potential. Although these houses also have other meanings, here they are defined and interpreted as Madonna's love relationships (5th), Madonna's partnerships (7th) and Madonna's sexual relationships (8th).

Madonna's Love Relationships

The 5th house describes romance and courtship: the qualities you seek in a lover and in a love relationship. You may be attracted to different types of lovers who possess one or more of these qualities, but you are most likely to find true happiness with the one person who combines most or all of them.

 5th House Cusp

Serious pleasures

You take your love life seriously and need to be careful not to treat courtship, and the sex act, like a commercial arrangement or make too many demands too soon thereby frightening off potential lovers. You can be a real contradiction when it comes to matters of the heart; while you get a perverse pleasure from playing the puritanical vicar in public, in private you can be a very naughty little devil.

While your public persona may deter more overtly sensual individuals (although it's often the reverse!!!), at the same time, you risk attracting those who feel their chastity is safe in your hands. Your love life is, therefore, likely to be a litany of some rather peculiar entanglements. Ideally, and eventually, you will find yourself drawn to those who share your quiet dignity whilst, at the same time, improving your status in the eyes of the world.

You do not take romance lightly and are uncomfortable with those who refuse to commit themselves. You are drawn to serious, dependable people. Your lover may not often take you to amusement parks, but the Stock Exchange can be fun, too!

Dr. Strangelove

Original, inventive, unconventional and exciting (both in and out of the boudoir), you make a fascinating and stimulating lover. A meeting of minds and exchange of ideas is as important to you as a meeting of bodies and an exchange of fluids. In fact, unless there is a lively intellectual rapport between you and your lover, the passion will soon to dry up.

You enjoy romance and the social whirl too much to give your heart away easily, if at all, regardless of your eloquent and romantic pillow talk. Drawn to the unusual, perverse and even the downright scandalous, you may entertain attachments with brilliant, strange and even rebellious individuals such as anarchists, revolutionaries and undiscovered geniuses. Life is never dull when you're around.

Romances may enter your life suddenly, or you may attract unusual or creative lovers. You have the ability to be objective about your love affairs and should have no difficulty expressing your individuality in that area.

Home is where the heart is

You like to express your need for love and affection in the comfort of your own home. You like to invite your lover around for dinner and are attracted to those with a strong sense of family values. You seek a lover who can make you feel at home, wherever you are.

Emotional support and nurturing are important to you in your love affairs, since your lover can have a profound effect on your sense of psychological and emotional well being. You have a tendency to reminisce about old loves and the importance of a romance with someone from your past, like an old flame who has the knack of rekindling your desire.

You may have your most romantic moments at home rather than in exotic places. You also need a lover who is protective of you and with whom you will feel comfortable. Or perhaps you just want someone you can take home to meet your mother.

No Planets in 5th House

Easy come easy go

While romance and sex is important to you, it is not a big deal, nor does it occupy as much of your time and energy as it does for some. Your love life is subject to periodic change and upheaval but your real priorities are often elsewhere. You may find that the pursuit of sensual pleasure actually takes you away from those activities that you find meaningful and so, while you'll put up with occasional disruption in this area of your life, when they eventually settle down you're usually keen to get on with other things.

You are not as particular about what you like romantically as some, consequently you are more than willing to compromise with your lover. You find it relatively easy to get satisfaction and pleasure from your lovemaking and are willing to make the adjustments necessary to achieve your ends.

Madonna's Partnerships

The 7th house describes marital partners and other close, one-to-one relationships. Courtship (5th house) can lead to partnership, but the 7th house assumes a close, constant contact so it is more difficult to escape potential problems. For that reason, they are more fully addressed here.

When Madonna's love affair shifts to a partnership the emphasis of her relationship changes, according to characteristics described by the signs and planets of the 7th house, as well as the position of the house ruler, outlined below.

7th House Cusp

A marriage made in heaven

Your reserved, practical and analytical approach to the world can be very effective and efficient when it comes to getting things done. However, it's very likely that the more systematic and efficient your approach to life, the more likely your close personal relationships will be the very opposite. Your relationships are probably a source of much chaos and your romantic dreams are likely to draw you, at times, to people who may be totally unsuitable.

You may happily clear up the mess others make, looking after the details they forget or neglect. Of course such a combination really can be a marriage made in heaven and you are likely to your mate on a pedestal. The key to making it work for you may be to adopt an attitude of unconditional surrender and self-sacrifice. Because no relationship or individual can escape your critical eye, the more you deify your mate and put them on a pedestal, the more you are setting yourself up for subsequent disappointment.

It really is okay to make a mistake, and while you are likely to have some very peculiar and unusual experiences in relationships, it is important to try to relate as equally as you can to your opposite number. Try not to let your critical eye prevent you from getting up close and personal with someone who, while less than perfect, may well be able to help you get your deeper needs met. You are attracted to beautiful dreamers, and they to you, because together you can combine reality and romance, making your hopes and dreams a reality. Try to avoid taking over the lives of your opposite numbers and trust them to take you down a more rewarding, if uncertain, path to happiness and love.

You want to be as one with your partner, experiencing the problems and triumphs as though they were your own. Be careful not to lose your identity by relating too closely with another. Ask your partner to share some of YOUR dreams.

7th House Ruler  in 3rd House

Chatterboxes

It's unlikely you'll have to travel too far to find a partner. Those in your immediate locale and immediate relatives will be only too willing to play matchmaker and provide a rich source of potential partners. An old school friend or sweetheart could well prove too good to let go.

Nevertheless, when it comes to close personal relationships you need a partner you can communicate with. In fact, intellectual compatibility is probably more important for you in a partner than physical compatibility. You are turned on by someone who can make you laugh and stimulate you intellectually, and vice-versa. Your partner's views are very important to you and help shape your opinions of life, love and the universe.

Lines of communication must be kept open in partnerships; you become suspicious if there are lapses in the mundane patter. You do not need deep, analytical conversations; you just want to know what is happening in your immediate environment.

No Planets in 7th House

Take it or leave it

While relationships are important to you, they are not the be all and end all for you, nor do they occupy as much of your time and energy as they do for some. Your relationships are subject to periodic change and upheaval but your real priorities are often elsewhere. You may find that the responsibilities and commitments of relationships often takes you away from the activities that you find meaningful and so, while you'll put up with occasional disruption in this area of your life, when they eventually settle down you're usually keen to get on with other things.

This does not mean that you will never marry, nor have a close one-to-one relationship. In fact, your demands are less complex than most, so you won't expect as much of a partner and it may be easier to get along with yourself.

Madonna's Sexual Relationships

In the context of a relationship, the 8th house can represent shared resources, partner's resources, or sex. Here it is treated solely as the house of sex. The signs and planets in the 8th house and the position of the 8th house ruler are used to determine Madonna's sexual needs and the characteristics of her sexual partners.

Since sexual activity can be an ingredient in both love affairs (5th house) and partnerships (7th house), you must decide which category your relationship belongs to and combine the relevant definitions. If the relationship is purely sexual, you can ignore the 5th and 7th houses.

♈ 8th House Cusp

Flaming desire

Your passions are quickly inflamed and you have a tendency to play with fire when it comes to sex. Your desire for immediate gratification and your urgency to get the uncertainty, and formalities, out of the way sometimes means you find yourself in too deep, too soon. While you may appear modest and reserved on first meeting, you're more ravenous wolf than innocent little lamb when it comes to sex. Hence you have a double-edged sexual nature; when you get into gear you can be very direct, sometimes becoming quarrelsome if your impulsive desires are blocked or frustrated.

You enjoy an active sex life and like to take the initiative. At times, sex for you takes on the form of a contest rather than an intimate exchange between lovers, motivated by the challenge of the conquest, making the sex act your goal. Sexually ambitious, you can't help flirting with danger, and at times, pushing your sexual and intimate relationships to the limit.

You are probably more interested in immediate gratification in sexual matters than in the amenities connected with it. You prefer aggressive partners, but if action does not come quickly enough, you can certainly become the aggressor.

8th House Ruler ♂ in 9th House

Sexual adventures

You've an upbeat, optimistic and happy-go-lucky approach to the more intimate area of your relationships. You don't take sex too seriously but rather embrace it because, through sharing yourself intimately with another, by learning to bare your soul and your body, and to trust, sex becomes a vehicle through which you can grow, develop and experience the very essence of life. Therefore more sober individuals may mistake your eagerness to get up close and personal for promiscuity.

Nevertheless you have a somewhat idealistic attitude to sex and you want your sexual relationship to not only satisfy your physical desires, but also to broaden your already broad mind. You also like sex in exotic locations and faraway places where you can feel free to be yourself and experiment with new approaches, techniques and fantasies. You might also find that it takes something, or someone a little different, such as a foreign accent or different cultural background, to really turn you on and get the juices flowing.

You consider your sexual activities as part of your total development and growth; and therefore desire a variety of experiences. Because you want to avoid repetition in any possible way, you may be most stimulated in new and unfamiliar places.

No Planets in 8th House

There's more to life than sex

While sex is important to you, it is not the big deal, nor does it occupy as much of your time and energy as it does for some. This does not mean your sex life is uneventful it's just that your sexual demands and tastes are probably less peculiar or complex than they are for others.

Your sex life is subject to periodic change and upheaval but your real priorities are often elsewhere. You may find that the pursuit of sexual gratification actually takes you away from those activities that you find meaningful and so, while you'll put up with occasional disruption in this area of your life, when things eventually settle down again you're usually keen to get on with other things.

You are not doomed to a life of celibacy. It is just that your list of requirements in a sexual partner and needs, in sexual activities will be shorter than most, though very likely your enjoyment will be just as great.

Guy's Love Relationships

The 5th house describes romance and courtship: the qualities you seek in a lover and in a love relationship. You may be attracted to different types of lovers who possess one or more of these qualities, but you are most likely to find true happiness with the one person who combines most or all of them.

 5th House Cusp

Immediate gratification

You've tendency to shoot first and ask questions later when it comes to romance. You can be an aggressive and domineering lover and may make a more fainthearted partner feel safer under the bed than under the covers. You like plenty of energetic activities, inside and outside of the boudoir.

Impatience, impulsiveness and your need for freedom and romantic adventure coupled with a hatred of restrictions could turn your bedroom into a battlefield if you're desires are frustrated. You are very passionate and are drawn to strong-willed, sexually demanding people. Since you can separate the physical and intellectual sides of your nature you may feel it is okay to have an occasional fling and still remain committed to your partner.

You are drawn to strong-willed and active people. They may not be consistent but they add excitement to your life. Their concentration on immediate gratification and enjoyment of even the smallest pleasures can keep you from becoming too blasé.

Love letters from afar

When it comes to love, romance and pleasure seeking, in an ideal world you would like to combine this part of your life with, amongst other things, broadening your horizons through study and travel. On one level this could mean your lover is a teacher or involved in the travel business, or simply that opportunities for love and romance present themselves in religious or educational settings, such as night school or college.

It may well be you're likely to find love in far-away places, or alternatively you may find that those far-away places come to you in the form of lovers from different cultures and backgrounds who enrich your life and broaden your mind. You will get a lot of pleasure from travel, as long as your lover is with you.

You want adventure in your love relationships, and sometimes find romance in far-away places. Lovers should provide fun and new experiences. You may look to greener pastures if lovers become serious too quickly, or refuse to broaden themselves.

When Guy's love affair shifts to a partnership the emphasis of his relationship changes, according to characteristics described by the signs and planets of the 7th house, as well as the position of the house ruler, outlined below.

7th House Cusp

All or nothing

You give off a dark, mysterious air and defend your right to be very private about your private life. Not surprisingly, it can be difficult for someone to really get to know you up close and personal. But when you do let someone into your heart you will stick by them, steadfast like a rock, through thick and thin. It is, therefore, important that you make the right choice as you will be very reluctant to quit a relationship even when it hits the rocks. You give off a certain magnetic, sexy allure that hints at your deep, dark and passionate nature.

You are drawn to tactile, sensual individuals who can also offer you a sense of security; emotional as well as financial. As you will, and often do, go to hell and back for your loved ones, it is important that your opposite number is prepared to be like a port in a storm for you. Problems arise because the very qualities of stability and security you seek in another are also the qualities that are most resistant to change and so, when change does come in your relationships, it can be dramatic, traumatic and drastic for that very reason. Your opposite number is quite likely to be stubborn, so clear, open communication will be important if you're to avoid misunderstandings or getting caught up in a battle of wills that could prove detrimental to your relationship - you will both loath giving way.

Your emotions can be unfathomable and perplexing at times and it can be hard for you to get your needs met when you often can't express them. It's at such times that the touch of your partner can say more than words and it will have a healing affect on you. In your life there may be times when you choose to go it alone rather than get involved at a superficial level. When you do make a commitment it is deep and you need a steady, secure partner who can support you through the slow process of learning to express intimacy and vulnerability, being accepted and loved.

Your partner will be loyal, dependable, and at least in part, predictable. It's a good idea if the both of you are headed along the same path, because there could be a clash of wills if you're not. If this occurs, make your arguments sensible; it may even turn out to be a draw!

II in 7th House

Spoilt for choice

Your natural, broadminded, happy-go-lusty approach to life and love makes you a much sought after companion and you'll have numerous opportunities for serious commitment. You may have a preference for young foreigners. When it comes to making a serious commitment, you want someone who is able to keep you amused and entertained, someone witty and intellectually stimulating; not just another social butterfly. You are also likely to enjoy the company of younger partners who allow you freedom to roam, to flirt and who respond to your fun loving repartee. Restless and curious, you'll look elsewhere if you are not stimulated enough by one single individual.

The number of your admirers who hold you deep in their affections will be far greater than the number you actually care deeply about. You may live with the occasional regret that someone special slipped through your fingers, that you were looking elsewhere when you may have been sitting on a goldmine. This may, in part, be why you could stay single, forever moving from one flirtation to another, while deep down, remaining a bit of a loner. When all is said and done, although you have a healthy appetite for human flesh, when it comes to a deep and meaningful commitment, you need a meeting of minds as much as you do emotional harmony and physical attraction.

You need a gregarious partner who is talented at light repartee. This person may display various facets of their personality in different situations, but will be difficult to know in entirety. You, too, probably prefer to avoid deep analysis.

7th House Ruler ♀ in 11th House

Love and friendship

You need a partner who is also your friend. This is probably the most important factor you look for in a relationship and it may be that you become intimately involved with your friends. Your peer group and lifestyle is also likely to affect your choice of partner and type of relationship. However, it is important to distinguish friendship from love, because a good friend doesn't always make a good partner.

Nevertheless, you'll probably remain good friends with your ex-partners. You also need a partner who is a kindred spirit, someone who shares your humanitarian ideals, hopes and wishes for the future. Since you're likely to be a bit of a socialite, it's through your social circle that you are most likely to meet your opposite number and it is important for you that they get on with your friends and like to be out and about as much as you.

You and your partner may be group-oriented and you could be united behind some humanitarian cause. You will definitely not be isolated from society. You need intellectual involvement in order to maintain your individuality and pure objectivity!

In the context of a relationship, the 8th house can represent shared resources, partner's resources, or sex. Here it is treated solely as the house of sex. The signs and planets in the 8th house and the position of the 8th house ruler are used to determine Guy's sexual needs and the characteristics of his sexual partners.

Since sexual activity can be an ingredient in both love affairs (5th house) and partnerships (7th house), you must decide which category your relationship belongs to and combine the relevant definitions. If the relationship is purely sexual, you can ignore the 5th and 7th houses.

II 8th House Cusp

Versatile lover

You need change and variety in your sex life and may enjoy discussing different techniques and approaches to sex. You can be quite rational when it comes to achieving and meeting your deep desire for sex and intimacy. Because you tend to have an intense, all or nothing approach to life, circumstance may require you to develop an intellectual understanding of your dark, primitive side if you're to get a handle on it.

Your light touch, when it comes to serious matters, may give the impression that you have a frivolous and superficial approach to getting your needs met. Ingenuous and versatile in the bedroom, you need mental and physical stimulation. You have excellent timing and when you express yourself sexually, you can be very persuasive.

In sexual matters, you want a variety of experiences or partners. Conversation may be an important part of sexual activity, or a device to forestall overly aggressive people. Verbal appreciation of your attributes can be quite stimulating.

69 in 8th House

Sexual bondage

You can be very emotional when it comes to sex and are surprisingly tender on an intimate one-to-one level. Your emotions shape your attitude to sex, associating affection and caring for someone with sexuality. You have a gift for expressing feelings and your caring tendencies sexually, making you an extremely tender and sensitive lover. However you're not always very forthcoming about your own needs since for you, exposing yourself can be a bit of a sensitive spot.

Often at your most vulnerable when up close and personal, you can be moody and even prickly at times, retreating into your shell if your desires are not met. But others may find you a bit of an enigma, enthusiastic one minute and apparently unconcerned the next. Your gregarious happy-go-lucky approach to life conceals your difficulty in expressing your intimate and sexual needs or in having them met, and inner insecurity may be behind your constant striving for pastures new.

You want to be treated with tenderness in sexual situations, and must feel at home in your surroundings to be totally relaxed. You do not bestow affection easily, but when you do, you usually develop strong emotional ties with your partners.

8th House Ruler ♀ in 11th House

Easy come, easy go

Your friends are likely to prove a source of much help and support in times of crisis, major personal change and transformation. You may well develop an easy-come, easy-go attitude to sex. Casual sex may not be something you have any problems with, as long as there is mutual respect and a friendly attitude between you and your partner.

While it would be good to love your sex partner, it may be enough for you that you are friends and on the same wavelength, since you need to feel a certain affinity with people who share your body and your bed. You may find that the attitude of your social circle towards sex strongly influences your own approach to sex.

Sociability is definitely an asset in your sexual partners, as you do not want to be isolated from society. You will also be drawn to people who can communicate on an intellectual level. Mental stimulation is as important as physical stimulation.

Part Two - Relationship Compatibility

How Madonna gets on with Guy and how Guy responds.

First the connections you share:

Madonna's ♀ ✶ Guy's ☽ (01°41') ★★★☆☆

Fascination

Madonna and Guy share one of strongest indicators for mutual attraction and fascination one could expect to find in a romantic relationship. There is a magnetic attraction between them - a love that emerged suddenly and intensely, and may even have been love at first sight. This is a stimulating and exciting combination and something is unique or unusual about Madonna and Guy's relationship.

Guy is altruistic, inspiring and encouraging towards Madonna. Romantic feelings are strong and intense. There is something magnetic about their love for each other and while they will experience many changes and upheavals there is something permanent about their mutual infatuation and fascination. Over time Madonna and Guy will be able to continually reinvigorate their relationship as they effortlessly find new ways to express their affection for one another.

Madonna's ♀ △ Guy's ☽ (05°26') ★★☆☆☆

Stability

There is a strong bond and mutual understanding between Madonna and Guy. They work well together and are able to shoulder responsibilities that allow them to create a stable base on which to build a serious relationship that will endure. Madonna and Guy have similar attitudes and approaches when it comes to financial security and ambition and will understand each other's needs for security.

Since they will face similar problems, their ability and willingness to reach agreement and co-operate will enable Madonna and Guy to overcome many of life's trials and tribulations. A business or commercial relationship between Madonna and Guy should run relatively smoothly and, all things being equal, could prove very productive.

Madonna's ☽ △ Guy's ☽ (01°10') ★★★☆☆

Different perspectives

Madonna and Guy tend to have different perspectives and points of view. This is likely to be because of generational differences between them rather than differences of a personal nature, (although the former may exacerbate the latter). Although this aspect of Madonna and Guy's relationship is unlikely to be a source of concern, impatience and reluctance to accommodate each other may increase any other differences, conflicts or hostility between them.

Madonna's important connections:**Love and what you value most**

Madonna's impact on Guy's sense of self-worth, his possessions, material security and personal value system.

How Madonna's discipline affects Guy's values

Madonna may put pressure on Guy to make more of himself, which is fine when it is encouragement but, if Madonna should nag or be critical of Guy, then this is likely to have a detrimental affect on his confidence.

Madonna can help Guy manage his financial affairs, offering sensible, albeit conservative, advice and acting like a brake upon any reckless tendencies Guy may have when it comes to money. However, at times, it may feel like there is a fine line between a prudent approach to financial affairs and penny pinching. At her best, Madonna can act like a wise bank manager, helping Guy achieve greater long-term security. At her worst, however, Madonna may at times prove to be a financial burden for Guy.

Nevertheless, Madonna must be careful to do her best to encourage Guy in all his endeavours since he will be extra sensitive to her disapproval and criticism which could dent his self-esteem and make it even more difficult for her to make the most of his potential.

Your partner may take care of your finances for you, or else put a damper on the way you spend your money. Another possibility could be just that your partner can help you to better handle and arrange your finances.

Madonna's \ddagger Guy's Ψ (03°21') ★★★☆☆

Antagonistic

At times, Madonna and Guy may find their relationship tests them to the limit. Madonna wants security, stability and as much certainty as possible - she will be reluctant to upset the status quo. On the other hand, Guy will not let sleeping dogs lie and therefore wants to get to the bottom of things. Unless Madonna and Guy can somehow resolve their very different perspectives, this aspect of the relationship could be the cause of mutual resentment and antagonism.

How Madonna's energetic drive affects Guy's ability to relate

In Madonna, Guy may feel he has a strong, decisive, dynamic and energetic partner whose energy and initiative will help him achieve his ambitions. Guy may want Madonna to be strong and decisive but may resent her if he considers her too impatient and impulsive in her eagerness to continually make his decisions for him.

While Madonna and Guy can work well together towards a common goal, tensions, and even a certain pleasurable friction, is never likely to be far from the surface, especially if Guy's strong desire for an intimate physical relationship conflicts with his desire to maintain a certain independence.

Madonna and Guy's relationship can be both passionate and combative and while they find each other physically attractive they need to make sure animal passions don't spill over into quarrels and conflict. It is important for Madonna and Guy to engage in plenty of rigorous physical and sexual activity, otherwise, animal passions may spill over where periods of calm will be brief amid an intensity that threatens to boil over.

The pressure Guy feels from Madonna keeps him on his toes, but he needs to be mindful not to commit himself too hastily, on impulse, fuelled by passion. If Madonna and Guy feel a storm brewing it might be a good time to head off to the gym, or for them to go for a jog together, vertically or horizontally.

Between the sheets, entwined in each other's arms, long after the passionate storm has passed would probably be the best time for Madonna and Guy to sort out their differences. However, if after all has been said and done, Madonna and Guy's relationship has a tendency to slip into a quarrelsome, irascible and bad tempered affair, then maybe they should seriously consider seeing an anger management therapist or getting a punch bag.

You are most likely drawn to your partner's ability to take charge and be somewhat forceful, but don't wait for your opinion to be asked. This might never happen. If an issue is important, speak up quickly or decisions may be made for you.

Guy may encourage Madonna to change her life on a very personal level and even drastically change her appearance. Guy's ♀ in Madonna's 1st House

How Guy influences Madonna's personality

Guy may have a powerful, almost hypnotic hold over Madonna at times. Like a Guru or mentor, Guy may be able to see great talent and potential in Madonna and may encourage her to make more of herself. There is a real possibility of Guy and Madonna becoming embroiled in energy draining power struggles. It seems that so much is at stake when they get 'up close and personal', that unconscious motives and hidden drives surface. They may both project all kinds of unsavoury characteristics on to each other, qualities they may have difficulty accepting in themselves.

If Guy and Madonna believe in past lives they may consider that they have some unfinished karmic business to work out from a previous life. Guy can have a rejuvenating effect, both physically and emotionally on Madonna. Guy's approach to their relationship has a lot to do with his need to confront, unmask and even undress Madonna. Guy emanates a mysterious intensity and sexuality, which may make Madonna a bit uncomfortable at first, especially if Guy's anxieties are triggered and he becomes increasingly possessive of Madonna.

When it comes to sex, Guy will tend to play the dominant role. Guy's need for sexual gratification is strong, something which Madonna seems to easily arouse in Guy. However, if Guy's preoccupation with sex makes him a slave to his desires, Madonna may grow to find his constant attention uncomfortable. Guy may be reluctant to let Madonna know how vulnerable he sometimes feels and may use indirect methods or manipulation to get his way in the relationship. Together Guy and Madonna have the potential to establish a deep and meaningful personal relationship.

Your partner may help you to transform in some way by helping you to look deeply into yourself. If your partner sometimes seems too dictatorial, directing your every move, remember that, ultimately, we are really in charge of our own lives.

Love and what you value most

Guy's impact on Madonna's sense of self-worth, her possessions, material security and personal value system.

How Guy's words affect Madonna's values

Guy's suggestions can be of great benefit to Madonna. While he may not be aware of it, his opinion and words of encouragement (or criticism!) can actually affect Madonna's sense of self-worth and self-confidence.

However, at times it may not be prudent for Madonna to get carried away with his ideas about what to do with her money, since however well meaning, Guy's ideas and opinions are likely to be subject to frequent changes and revision.

Nevertheless Guy will be eager to handle the details when it comes to finances and so Madonna needs therefore to be sure before getting too intimately involved with him on a financial basis.

Guy's words of support and encouragement can go a long way in helping Madonna to make more of her talents and abilities. If they do go into business together, Guy is likely to want to take care of the financial side of things and will never be short of ideas on how to make more money. It is important that lines of communication are always kept open and clear where financial matters are concerned.

There can be a great deal of discussion with your partner about your handling of money. This may only be as consultation, but if it is criticism and you want to change the subject, try talking about values and things that are important in life.

Stimulating

Madonna stimulates and awakens Guy's mind, inspiring him and giving him many original ideas. Guy can learn a lot from the association and in turn can encourage Madonna to make more of her insight and intuition. Guy and Madonna enjoy each other's company and conversations, each having a stimulating affect on the other, with a vigorous and sparkling repartee and exciting exchange of ideas.

How Guy's charms affect the way Madonna feels about him

Guy can make Madonna feel like a million dollars. They enjoy life together and spending money, usually Madonna's money.

Guy finds Madonna very attractive and adorable and when he tells her how lovable and beautiful he thinks she is, then this does wonders for Madonna's self-worth and self-esteem. Guy really does have a high opinion of Madonna while she does value his appreciation and sets a lot of store by his charm and social graces.

Guy can be very supportive of Madonna, and she may do well financially through her association with him.

Since Guy and Madonna share many similar values they can usually reach mutual understanding and co-operation on most things and therefore their relationship can offer them both emotional and material stability.

Guy and Madonna enjoy the good things in life and there may be times when their desire for life's little luxuries (and sensual excess) takes its toll on their wallets and waistlines.

You may sometimes see your partner as frivolous in spending money, primarily your money, and this could become an issue. You might discover, however, that occasionally it can be pleasurable to spend money just for sheer enjoyment.

How you communicate

How Guy might affect Madonna's further education, maybe the way she is with her brothers and sisters and how she responds to local community activities and to her family.

How Guy's altruism influences Madonna's ability to understand

Guy and Madonna's relationship may have its fair share of misunderstandings and communication problems. At times Guy's approach to conversations may leave a lot to the imagination and so, in order to get the message, Madonna may feel the need to regularly read between the lines when he is talking.

Guy may be prone to mixing fact and fiction, using innuendoes that could have an undermining effect on Madonna who is apt to be aware that something is amiss. If such situations were to arise, Guy may not be able put his finger on what is wrong except to admit certain unease.

Nevertheless, Guy's insight and understanding can be a great benefit to Madonna, especially in areas of study, since he can often be very skilled in describing and explaining things in the form of pictures and images. Guy has a knack for finding solutions not based on common sense or logic and will encourage Madonna to use her intuition and make more of her creative mental and writing talents.

Guy can inspire Madonna and brings out a deeper dimension to her perspective on life, love and the universe, encouraging her special interests and latent abilities. It is important that Guy and Madonna develop a relationship based on mutual trust and sympathy, otherwise, Madonna may feel unable to trust telling Guy too much for fear of being undermined through gossip and misunderstandings.

Whether Madonna is aware of it or not, she has a way of making some situations less clear and straightforward than Guy would wish. At times Guy seems to be able to pick up on, and tune into, Madonna's thoughts and it may appear that Guy and Madonna have an almost telepathic mental link or connection which can bring about much mental sympathy and understanding between them.

Communications with your partner can be better on the non-verbal than the verbal level. In conversation your partner may not seem clear or direct. If, however, you tune in on the vibrations rather than the words, understanding will be greater.

Life and death issues

Intense and weighty issues: death, obsessions, repression, jealousy, taxes, joint resources, inheritances and other people's possessions. What Guy wants or needs sexually.

How Guy's way of behaving affects Madonna's recourses and sexuality

It probably wasn't very long after Guy and Madonna met that they became aware of a powerful connection between them. Their relationship will be an all or nothing affair, emotionally and sexually intense and at times it may be difficult for either of them to exercise emotional control.

Nevertheless, during periods of personal change and upheaval, Madonna is likely to benefit from Guy's help, both emotionally and financially because he seems to know just how to make Madonna's juices flow. In fact, there may be times when an almost constant need for sexual gratification dominates their relationship. Guy will act as a catalyst in Madonna's life and she can, if needed, rely on his support.

Guy will be willing to use his resources to help Madonna change and transform herself, and her life, at the deepest level. With sexuality and intimacy very much to the fore, Guy may bring Madonna the confidence to really come to terms with deep issues of trust; learning to be vulnerable through developing a deep desire for greater intimacy within their relationship.

At times Guy can appear possessive but he does offer the possibility of bringing stability into Madonna's life. Not only is the sexual side of Madonna's nature aroused by him, but so too is the potential of a deep spiritual awakening. This is likely to occur when they really get 'up close and personal'.

While power struggles can manifest from time to time over issues of money, sex, and power within the relationship, this is a reflection of deeper issues of trust that will surface between Madonna and Guy as their relationship grows and evolves, through periods of personal and spiritual rebirth and transformation.

Most likely you find that your partner is either more the 'responder' than the 'aggressor' in sex or else that your partner manipulates you in this area, but through gentleness, so if manipulation is the route, it will be subtle.

Guy's   Madonna's  (06°13') ★★☆☆☆

Open

This is a very good aspect to find in a relationship since quick understanding of each other's thoughts and feelings keep lines of communication open and running smoothly. There is intellectual and emotional understanding and compatibility between Guy and Madonna.

They enjoy each other's companionship and their conversations are lively and interesting. Mutual understanding helps foster intellectual development in both Guy and Madonna. Shared interests keep them both stimulated in one another's company and, at times, their ability to understand each other's thoughts may even give the impression there is a telepathic link between them.

Guy's ☽ □ Madonna's ♀ (01°06') ★★★★★

Excessive indulgence

Whatever the subsequent difficulties, there is a great deal of love and affection between Guy and Madonna. While not of particular concern in their relationship, Guy and Madonna do have a tendency to overdo things when they get together, whether physically, sensually or financially. Excessive indulgence can undermine Guy and Madonna's relationship.

Guy and Madonna's tastes and social inclinations are likely to differ and may be a cause of minor conflicts and misunderstandings. However, there is a strong attraction and mutual affection that will militate against potential problems.

Guy's ☽ ♀ Madonna's ♃ (03°03') ★★★★★☆

Expectations

Guy and Madonna's relationship has the potential for much mutual happiness and good fortune. This is a larger than life combination and so, while they can grow and prosper together, they can overdo it. In fact, Madonna may be guilty of promising more than she can deliver, whilst Guy in turn, can over-estimate Madonna's abilities and capacities. Guy may expect too much of Madonna.

While Guy and Madonna have a sentimental attachment towards one another, somehow they may feel their relationship doesn't live up to what may be unrealistic expectations, leaving each other open to disappointment and disillusionment.

At times Guy may try to take advantage of Madonna, again demanding and expecting too much. Alternatively Madonna may try to impose her religious, moral or philosophical values on Guy. Nevertheless, if they can somehow manage to tame their excesses, they can be very good for each other.

Guy's ☽ ♀ Madonna's ♄ (02°51') ★★★★★☆

Disappointment

When Guy and Madonna first met they may have felt a powerful, almost psychic link between them. While Guy and Madonna have the potential for a very loving and romantic relationship, unrealistic expectations of each other could eventually cause disillusionment and disappointment.

There is a great deal of sensitivity between Guy and Madonna and they may at times feel too emotionally involved or overwhelmed by each other. Madonna can appear elusive, unreliable or untrustworthy to Guy, (Madonna may even be deceptive), causing him much trouble and emotional turmoil.

At their worst Guy and Madonna can bring out the most unpleasant side of each other, indulging in immoral and anti-social conduct. Madonna may have a subtle but corrupting influence on Guy, while Guy may encourage Madonna's lack of responsibility and any latent dishonest or delinquent tendencies.

Guy's ☽ △ Madonna's ♀ (02°17') ★★★★★☆

Emotional support

Guy and Madonna can offer each other tremendous emotional support in a close relationship, especially during periods of major personal change and upheaval. Madonna enlarges Guy's worldview and potential and stimulates his imagination. Guy and Madonna share a strong physical attraction that can prove intense, passionate and provocative, challenging each other to travel uncharted territory together.

How Guy's discipline affects Madonna's resources and sexuality

While there is a strong bond that seems to draw Guy and Madonna together, the area of sex and intimacy can be a tricky one to deal with. It may be that Madonna finds it difficult to really let go when she gets 'up close and personal' with Guy. Unless they learn to communicate with each other and develop a strong bond of trust, then Guy may act a bit like a wet blanket on Madonna's inhibitions in the bedroom.

One or other, or both, may have a deep fear of being overwhelmed by the intimacy of it all and hold back until things become very intense. This would make Guy and Madonna's sexual relationship becoming one of extremes, with periods of relentless, insatiable sex being followed by periods of abstinence, not unlike that of a binge eater or drinker.

On another level, whether through circumstance or adversity, Guy and Madonna may be forced together, much closer than they would initially have chosen. This may require that, in their relationship, they could be forced to confront issues of trust, intimacy and dependency. Financial matters should be handled prudently, since there is the potential for Madonna to acquire additional financial responsibilities through her association with Guy.

Sex with your partner may not be innovative or extremely exciting, but there do not have to be serious limitations in this area. In fact, you can feel very secure with your partner because you know what to expect in your sex life.

Guy's \ddagger ♀ Madonna's Ψ (07°44') ★☆☆☆☆

Distrust

Guy and Madonna may have a sense that destiny has brought them together, especially in the initial stages of the relationship. Madonna can inspire Guy while Guy can offer much needed stability and a sense of security to Madonna. However, it might not be long before the very real differences between Guy and Madonna emerge and how they manage this will determine the eventual outcome of their union.

Madonna may grow to feel that Guy squashes her dreams, censuring her for being too unrealistic and impractical. Guy forces responsibilities on Madonna, which she does not appreciate. Openness and clarity may be the first casualty of this relationship since it wouldn't take much for Guy and Madonna to distrust each other.

Madonna may not like Guy's materialistic view of life while Guy may find Madonna too idealistic or irresponsible. Guy may consider Madonna an impractical daydreamer. Disillusion or depression could undermine the relationship, eventually bringing out the worst in both of them. If this were to happen, then Madonna could become increasingly aloof, evasive and even deceitful while Guy, in turn, may become increasingly restrictive.

Mysteries of the mind

Illusion, when things are not quite what they seem; secrets, ideals, deception and self-deception, dreams, intuition and drugs, illness, institutions, anywhere it is difficult to get a clear picture of what is going on, is likely to be hard for Guy to fathom.

How Guy's energetic drive affects Madonna's unconscious mind

Guy will be willing to work tirelessly from behind the scenes to assist Madonna in furthering her aims. However, if Guy cannot find a healthy outlet for his energy and drive, then the resulting frustration could prove a problem for the relationship - especially as indirect hidden aggression may undermine Madonna.

Guy and Madonna's relationship is probably a very private affair, the chemistry between them having a distinct, mysterious, erotic undercurrent. They have the potential to reach the heights of their romantic ideals but, in practice, it may be hard to stop the relationship spiralling down into the depths of sensual and sexual excess as Guy and Madonna struggle to resist being engulfed by their deep and insatiable desires.

Guy's influence on Madonna can be very subtle and emotional rather than obvious or objective. Both Guy's initiative and the idealism and self-sacrificing temperament of Madonna can work very well together especially when engaged in creative and artistic projects.

Madonna can have a soothing influence on Guy who is grateful for her companionship and understanding. Guy makes Madonna feel alive, helping her to make her dreams a reality and he also tends to be the one who will initiate things, often from behind the scenes.

This relationship can stir up deep feelings between Guy and Madonna and lust is very much to the fore. In time the dynamics between them may even prove disturbing or abusive in some way.

With such great sensitivity aroused between Guy and Madonna, open and honest communication may prove difficult. Guy is more likely to resort to covert aggressive tactics that may undermine Madonna. If he feels unable to express his anger openly for fear of jeopardising the relationship, then he may express the energy indirectly and may become impatient, impulsive and insensitive towards Madonna.

Whether through drink, drugs or sex, Guy may have the ability to drain Madonna's physical emotional and financial resources. If Madonna is particularly sensitive to Guy's impatience and aggression, this can have detrimental affect on her general health and emotional well being.

At their worst Guy and Madonna can have a demoralising effect on each other, bringing out the worst delinquent tendencies in both. Guy can excite the anxieties and fears of Madonna, while sapping her drive and courage. Great self-control may be required to keep their relationship from going to extremes.

It may seem to you that your partner is neither forceful nor aggressive and this allows you to act pretty much as you please. You are rarely ordered around; but somehow, surprising even to you, you usually accomplish just what your partner wants.

Guy's ♂  Madonna's ♀ (03°32') ★☆☆☆☆

Dynamic

This is a very harmonious and dynamic relationship with Guy and Madonna stimulating each other's aspirations and ambitions and complementing one another particularly well. They stimulate mutual helpfulness in achieving prosperity, although extravagance and a desire to take risks may occasionally endanger what they have, but this is an inevitable feature of what happens when these two get together.

Nevertheless their mutual support and encouragement promotes optimism and, in a way, they make their own luck. Together they have a strong desire for freedom and new experiences and while they may share big plans, they also have the potential to put them into action. As long as their ideas are not too unrealistic and they don't overextend themselves physically or financially, Guy and Madonna can accomplish a great deal together.

Guy's ♂  Madonna's ♀ (03°43') ★★★☆☆

Endurance

Guy stimulates Madonna's ambitions, encouraging her to progress and giving her added self-confidence in the process. Although Madonna puts the brakes on Guy, this may prove very helpful and productive in areas where Guy acts impulsively or impatiently, without foresight. This aspect of Guy and Madonna's relationship is an indicator of endurance.

Guy's courage, strength and physical drive can combine well with Madonna's caution and wisdom. If Guy and Madonna co-operate with one another, they can be very effective in joint projects and enterprises. Therefore, this relationship is excellent for practical accomplishments, overcoming obstacles and furthering Guy and Madonna's long-term ambitions.
